ANIMAL REGISTRATION APPLICATION & INFORMATION

Section IV.E-201 of Ordinance 83-18 requires every dog, four (4) months of age or older, to be registered with the City of Irvine. New residents, or residents with dogs newly acquired, shall be granted thirty (30) days in which to comply with this section. Persons renewing pet registration shall be granted thirty (30) days from the date on which they are due to comply with this section. Failure to comply will result in a late fee as determined by City resolution.

A minimum of one year registration is required. Two - and three-year licenses are also available. A pet's registration is valid only as long as the pet's rabies vaccination is valid. If the registered pet's rabies certificate information does not cover the full length of the registration period, it is the pet owner's responsibility to supply current rabies vaccination information to THE IRVINE ANIMAL CARE CENTER either by mail, by fax, or in person. **A reminder notice will be included with your animal registration if an updated rabies certificate will be required during your registration period (copies will be accepted).**

Permanently disabled citizens or senior citizens 62 years of age or older may register their dogs at a reduced rate (**proof of age or disability required**).
